Dear members and supporters,

This year has had much accomplishment despite tragedy within our circle, so that we are thankful for our friends and for the vision that unites us.

Our Harold Brown Recording Project, thanks to your kind support and consideration, continues in the editing/pre-production stage. We are pleased to thank all of you for this and wish each and all health, happiness and progress for this season and the year to come.

For a list of the supporters of this project please refer to our Interim Report 10/31/11. If you contributed but did not find your name there or in its addendum, please contact us immediately. We trust you have received individual acknowledgements, but are anxious to rectify any omission on our part. Kickstarter, if you contributed there, may also have acknowledged you.

The Harold Brown family and Tessera artists are grateful, as are we, the officers and board:

Sigmund Rosen, president
John Hetland, vice president
Dorrie Rosen, treasurer
Ruth Horowitz, corresponding secretary
Andras Vig, member
